Service Line Coverage

As a homeowner, you're responsible for the service lines that run from the curb to your home. When your service line is damaged, it can be a very costly expense to repair or replace. From identifying the problem to excavation to repair, Service Line Coverage has you protected.

Are you protected from an unexpected leak, break, tear, rupture, collapse, or arcing of a service line? Talk with your agent today to learn how this product protects your home by extending coverage to the following:

- Underground piping
- Wiring
- Valves
- Attached devices that connect your home to a public utility service provider or to a private system

LIMITS AND DEDUCTIBLES

Service Line Coverage is offered on a per occurrence basis. A \$500 deductible and limits of \$10,000 or \$15,000 are available.
